Paul Simon and Art Garfunkel

Mr. La Vanture,
Principal

To the Class of 1970:

During your years in high school you have been seeking success in your many endeavors. As you have learned, real success demands more from an individual than most people are willing to offer — not more than they are capable of offering. "Real success" means achieving a degree of excellence in whatever you do. To achieve this most satisfying kind of success demands the strength of character that is essential to strenuous effort. It requires the stretching of your capabilities and all of you can stretch them way beyond the limits you think you have.

I hope that your high school education has contributed in some small way to your achieving the degree of excellence that you may be seeking. For your future tasks, I am confident you are ready. My best wishes go with you.

Robert L. LaVanture
Principal

BOARD OF EDUCATION
Standing L. to R.: Mr. Little, Dr. Jones, Dr. Hagedorn, Dr. Josephson.
Seated L. to R.: Mr. Conlin, Mr. Dios, Mr. Ward, Mrs. Waldt.
Missing: Mr. Cullen.

To each member of the class of 1970 —

As you move toward adulthood and the assumption of the responsibilities which developing maturity entails, you will, increasingly, look backward to your experiences in high school as well as forward to your hopes and plans for your future.

As you do, we hope that you will find, as so many of your predecessors have found, that you have been well prepared for the problems which you will face as you pursue the sometimes lonely journey.

We wish for you the happiness which goes with accomplishment, the pleasure which accompanies success, and the satisfaction which rewards the person who builds something which is of value to his fellow-men.

sun's precious melancholy
when spring is not yet come.
That is when we have come to know
That winter is a long time
Yellow brittle and snapped tightly
against the sleep of cold
We can touch silver of a kind,
But only during the sadness of autumn nights
the infinite sighing of summer water
and the hesitant passions of new spring.
There is one long time of sleep
when silvered beauty ceases to possess us
the time when we exist, wide-eyed,
with our thoughts plucked out of us and discarded
like so many unmemorable postcards.
A long time, it is
and the division we have come to define
as infinitely small and sagacious
forms itself between an autmn night one day
And a winter blue sky the next.

silver and stain.
silver and yellow brittle.
Branches stare in absent memory
unmindful of the last dusts of silver
that slip gently through.
Trees were made to hold the sky
and cup its innocence in gratitude,
Not to let it melt in undecided patterns,
slipping clinging down through daydream branches.

Come on people
come on children
come on down to the glory river
gonna wash you up
and wash you down
gonna lay the devil down
Come on people
come on children
there's a king at the glory river
and the precious king
he loved the people to sing
babes in the blinkin' sun
sang we shall overcome!
Come on people sons and mothers
Keep the dream
of the two young brothers
gonna take the dream
and ride the dove
we could build the dream with love
I got fury in my soul
fury's gonna take me to the glory goal
in my mind I can't study war no more
save the people
save the children
save the country

Smile on your brother,
Everybody get together
Try to love one another right now."

Dayton's AFS student, Sandy Dijkstra of the Netherlands.

Letter from Sandy Dijkstra:
Smiling faces in a new classroom, seeing people at another basketball game that we won, eating at Stanley's, musical rehearsals, and cafeteria food . . . all those are memories I will treasure. But the many friends I have made will be my fondest memory. I have one paragraph to thank you for all this and obviously, that won't be nearly enough. Not even a whole yearbook would be sufficient. So what is left but . . . THANK YOU.

Bowling

Bob Shindler, Todd Herman, Steve Glover, Bob Ripp and Bob Kalbein made up a strong varsity contingent. With substitutes like Ted Rosenkrantz, and, Stewart Liebeskind who back up the Varsity Keglers, it's easy to see why Dayton had an excellent year.

Each of the five starters for the third place Watchung Conference finishers, had series averages in the 500's, while their single game averages were in the 170's.

Football

Playing an independent schedule for the 1969 campaign, Dayton at times played brilliantly. Although the record is not impressive, the Bulldogs provided stiff opposition for all the teams which they faced.

Led by seniors Bill Keller, Bob Vaughan, Dave Epstein, Bill Benkus, Garry Fox, Bob Sasse, Woody Younge, Charlie Foster, Al Ramos, and Pete Meierdierck, the Bulldogs had a solid squad of upperclassmen which gave 100 per cent.

The highlights of the season came when Dayton tied an undefeated Ridge team, and beat Kenilworth. Against the Brearley Bears, the Bulldogs showed a strong ground game led by Joe Rapuano and passing game led by quarterback Bob Janukowicz.

Although nine players are departing, Dayton has a strong corp for next year. Players such as Bob Janukowicz, Joe Rapuano, Art Weisbrot, Gary Grant, Carmen Bove, Danny Silverman, Pete Demner, Scott Prussing, Mitch Wolff, Jay Silverman, John Hagemeyer, Ed Graessle, and Dennis Marino will give Springfield a strong team.

Row One, L. to R.: C. Foster, P. Meierdirck, D. Epstein, W. Younge, W. Keller, R. Sasse, A. Ramos, W. Benkus, R. Vaughan, G. Fox. *Row two:* A. Weisbrot, J. Benigno, J. Silverman, L. Vasilow, C. "BIG RAY"

Although Dayton was not Group 2 state champs, the Bulldogs completed their best season in the school's 33 year history. The starting five of Frank Bucci, Dan D'Andrea, Charles Foster, Ed Graessle and Bob Janukowicz led Dayton to an undefeated regular season 21-0, Suburban Conference Championship, and Springfield Christmas Tournament Champion.

Bucci was the leading scorer on the team with a 24.4 average while D'Andrea was the second leading scorer and rebounder, Foster and Janukowicz were strong rebounders while Ed Graessle was the play-maker and led the team in assists.

Keith Brownlie, Howard Alexander, Marc Hollander, Woody Younge and Alan Schlanger gave Dayton very strong reserves, while Greg Spector, Jay Silverman, Steve Grau and Ed Parrish also contributed to the championship.

In the state tournament Dayton defeated Roselle in the first round 85-81, overcoming a two point lead at the half. In the second round the Bulldogs beat Warren Hills 78-52, but were upset by Verona in the third round 73-72. The Bulldogs winning streak stretched to 23 consecutive games before being halted.

Even though Dayton did not go all the way, Coach Ray Yanchus and all his players did a fantastic and unbelievable job in the 1970 campaign.
